Procedures for handling investment money or investment property

The following system and procedure is used for receiving client funds:

1. One Answer Wrap clients:

- The investment management service (wrap service) is provided via an independent custodian, which holds investments collectively on behalf of the client.
- All money that is to be invested (payable via cheque or direct bank transfers) is payable directly to the custodian of the wrap service as applicable.

2. For clients whose investments are held elsewhere:

- A membership fee of \$450 plus GST and/or an hourly fee of \$200 per hour plus GST, if applicable, is payable to Quadrant Financial Services Limited. Payments may be made via direct credit on a monthly, quarterly or annual basis to Quadrant Financial Services Limited bank account or annually via cheque to Quadrant Financial Services Limited and crossed 'not transferable account payee only'.
- An auditor is not employed as Quadrant Financial Services Limited is not holding nor does it operate a trust account.
- Neither Quadrant Financial Services Limited nor David Wilson in any circumstances use clients' money or property for the benefit of any other person or ourselves. This applies to monies that are to be invested. Monies that are paid to us as fees are used to pay overheads and expenses and personal remuneration.

The records Quadrant Financial Services Limited keeps that relate to the investment of money are:

- a. A photocopy of the completed cheque and application form which is kept in the client's personal file.
- b. The details of the investment are entered on to our portfolio reporting system immediately after an investment is made.
- c. We manually update the client's personal file with details of the investment.
- d. During normal working hours, all clients have access to their personal file should they wish to check the accuracy of the information contained therein.

Remuneration received by Quadrant Financial Services Limited

The professional fees charged by Quadrant Financial Services Limited will vary according to the nature of the services provided, as outlined below.

1. Fees for non-OneAnswer wrap service clients:

Quadrant Financial Services Limited charges a flat fee of \$450 plus GST per annum if applicable. This means the initial consultation is free but the preparation of the financial plan, the implementation of the advice and the ongoing reporting on that plan is all included in this fee.

An entry fee may be charged on certain investments. The precise dollar value of the fees on any investment product recommended will be disclosed prior to implementation.

- quarterly newsletters
- attendance at our client seminars and any public seminars we are conducting
- copies of reports that we produce

Please note that Quadrant Financial Services Limited will often provide discounts on the commission it receives, particularly if the sum being invested is substantial.
